

Fight Song by Rachel Platten

My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me

Raise Your Glass by Pink

So raise your glass if you are wrong
In all the right ways, all my underdogs
We will never be, never be anything but loud
And nitty, gritty, dirty, little freaks
Won't you come on and come on and
Raise your glass!
